

## **Stater Bros. Selects Earthwise To Launch Reusable Shopping Bag Program**

1/3/2007

Commerce, CA - Earthwise Bag Company, Inc. recently announced that Stater Bros., of the supermarket chain in California, has made Earthwise's reusable shopping bags available in all of its 162 full-service supermarkets, located throughout San Bernardino, Riverside, Orange, Los Angeles, San Diego, and Kern counties. Stater Bros. joins a growing list of supermarkets and other retailers who have launched reusable shopping bag programs through Earthwise to promote environmental awareness and conservation.

"Stater Bros. has always been dedicated to supporting important causes affecting the communities we serve and the environment," said Jack H. Brown, Chairman and CEO of Stater Bros. "We do more than just business in the community ... we are part of the community."
